In Loving Memory
of My Beloved *Wife*

It broke my *heart* to lose you,
you have left an empty space
The *love* we had *together*
cannot ever be replaced

I will never forget you,
all the *happy* times we *shared*
the *joy* you brought into my life
can never be compared

You're with me every moment
now that we're apart
living on in *precious* memories
like *keepsakes* in my *heart*

I miss you more than words can say,
my *beautiful, wonderful* Wife
Only time can heal my pain
you were the one *true love* of my life

Thinking Of You
Sister

Although I'm sad without you
And wish that you were here,
Within my heart your lovely smile
Still shines bright and clear.

I treasure all those memories
Of growing up with you,
The secrets we would always share
The childish things we'd do.

And as the years
passed quickly by
We grew closer still,
I miss you,
dearest Sister,
And you know
I always will.

Daughter In Heaven

Although you sleep in Heaven now
You're not that far away
My heart is full of memories
And you're with me everyday
You lived your life with meaning
And with a smile upon your face
A world that was full of happiness
Is now an empty place
People say that only time
Will heal a broken heart
But just like me and you, Daughter
It has been torn apart
I know you are at peace now
And in a place where you are free
Meet me at the Pearly Gates
When Heaven calls for me

DAUGHTER IN HEAVEN
