

What Makes A Dad

God took the strength of a mountain & the majesty of a tree.
The warmth of a summer sun, the calm of a quiet sea.
The generous soul of nature & the comforting arm of night.
The wisdom of the ages & the power of the eagle's flight.
The joy of a morning in spring & the faith of a mustard seed,
The patience of eternity & the death of a family need.

Then God combined these qualities,
When there was nothing more to add,
He knew his masterpiece was complete,
And so, He called it—'Dad!'
