

*When you lose someone you love,
Life will change, you rearrange,
And everything around you seems so strange.*

*The world will spin in the wrong direction.
You feel alone and want affection.
Your appetite changes, you may not sleep,
You don't feel like talking to anyone you meet.*

*But as time goes on, things will get better,
And everything just comes together.*

*And just because you smile,
It doesn't mean you don't care,
Because you know in your heart
That they will always be there.*

Dad-

Our Loving Father

*God took the strength of a mountain & majesty of a tree.
The warmth of a summer sun, the calm of a quite sea.
The generous soul of a nature & the comforting arm of night.
The wisdom of the ages and the power of the eagle's flight,
The Joy of a morning in spring & the faith of a mustard seed,
The patience of eternity & the depth of a family need,
Then God combined these qualities,
When there was nothing more to add,
He knew His masterpiece was complete,
And so, He called it... "DAD!"*
