My Journey's Just Begun

*Don't think of me as gone away
 My journey's just begun
 Life holds so many facets
 This earth is but one
 Just think of me as resting
 From the sorrows and the tears
 In a place of warmth and comfort
 Where there are no days and years
 Think of how I must be wishing
 That you could know today
 How nothing but your sadness
 Can really go away
 And think of me as living
 In the hearts of those I touched
 For nothing loved is ever lost
 And I know I was loved so much*

For My Husband

Thank you for your endless love
 That will help me through each day
 And thank you for the Memories
 That will never fade away
 You're the man I loved
 And I was proud to be your wife
 And every day in some small way,
 I will celebrate your life
 As long as memories last,
 You will stay in my heart

Your Loving Wife

FOR MY HUSBAND
