

I am still here

Just because you cannot see me
Does not mean I am not there
Just because I am in heaven
Does not mean I do not care

I often see you crying
You often call my name
I want to hold you tight
I want to ease your pain

Its easy for me
For I know heaven is real
If you knew the truth
How much better would you feel

One day we will meet again
But only when the time is right
When you step out of the darkness
I will be standing in the light
