Miss Me - But Let Me Go

*When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom filled room.
Why cry for a soul set free?
Miss me a little, but not too long
And not with your head bowed low.
Remember the love that we once shared.
Miss me-but let me go.
For this is a journey that we all must take,
And each must go alone.
It's all a part of the Master's plan,
A step on the road to home.
When you are lonely and sick of heart,
Go to the friends we know
And bury your sorrows in doing good deeds.
Miss me-but let me go.*
