Afterglow

*I'd like the memory of me to be a happy one.
I'd like to leave an afterglow of smiles when life is done.
I'd like to leave an echo whispering softly down the ways.
Of happy times and laughing times and bright and sunny days.
I'd like the tears of those who grieve to dry before the sun.
Of happy memories that I leave behind when life is done.*

Uncle James

*Your smile was big as the sun
Your heart was bright as the moon
Your strength was big as the ocean
Now you're gone, way to soon
Although I'm sad, and filled with pain
I can still feel your love, pour down like rain
We will remember the good times
We will forget the bad, honor your spirit
Try not to be sad
Chin up, chest out is the phrase behind
Your behind your name
Until we meet again, I love you Uncle
James*
